Dear Tracey:

It is my pleasure to thank you and the Connecticut Brain Tumor Alliance for your most generous gift of \$20,000 to Hartford Hospital. This gift, for the 2009 Cohen Symposium, the Hartford Hospital Brain Tumor support group and Hartford Hospital's Pediatric Cancer department is greatly appreciated. Our patients, families and staff are grateful for your generosity and your dedication to help raise awareness of the disease and provide hope and support for others living with brain tumors. Your hard work and enthusiasm is very admirable.

For many years, the support of hundreds of dedicated donors has allowed Hartford Hospital to offer high quality, compassionate care to our patients and comprehensive services and programs to our communities.

Friends, families and neighbors who rely on the hospital for excellent medical care will benefit greatly from your generosity. Your thoughtfulness sets a wonderful example for all.

Sincerely,

*Carol*
