Dear Susan and David

On behalf of Saint Francis Hospital and Medical Center, I want to thank CT Brain Tumor Alliance for the generous gift of \$20,000 to fund the Orfit Industry "Head Package" for the Varian Accelerator.

We are very proud to be a recipient of such significant support from the CT Brain Tumor Alliance. Your support enables us to enhance patient comfort while increasing the precision of radiation delivery.

Thanks, again, for supporting Saint Francis achieve its mission: commitment to health and healing through excellence, compassionate care and reverence for the spirituality of each person.

Sincerely,

Paul F. Pendergast
